Subject: Environmental Justice notice question

Hello Sherri,

Ex. 6 PP / Ex. 7(C) and I are just inquiring about the public notice/Environmental justice that we have briefly covered. Our questions are would this notice still be going out If any agreement is reached with Presto-x in the next week or weeks? When would this notice go out or would it go out or if things are unsettled what is the process of this notification? We are inquiring because we are now working on our personal injury cases and we our trying to keep our attorneys in the loop, especially since we may need to know how this would or could affect our cases in the basis of confidentiality. If possible I will be with Ex. 6 PP / Ex. 7(C) later this morning around 9am if you could call us that would be great. We know your busy and we are very appreciative of everything.

Thank you,

Ex. 6 PP / Ex. 7(C)
